Testimony of prayers answered by Sr. Marie de Mandat-Grancey.

November 7, 2006

I prayed a Novena through the intercession of Sr. Marie for a person who had gone through much suffering over the past five years and still was in need of deep emotional and spiritual healing. I went to Mass nine days in a row and gave Sr. Marie my Holy Communion from October 25-November 2, All Souls Day. I asked her with every Holy Communion to present my petition for healing for this person to Our Lord through Our Lady on my behalf. I prayed the prayer on the prayer card each day along with my Rosary. I also joined this petition to heart felt prayers for mercy on the Holy Souls in Purgatory with each Holy Communion as a thanksgiving for my prayers being heard by God. I asked God to welcome into the glories, joy, and peace of heaven the Holy Souls who suffered similar trials in life as the person for whom I offered this Novena through Sr. Marie's intercession.

On the ninth day of the Novena this person, who is a person of very few words at best, spoke words to me that let me know that my prayers had been answered!

All glory, praise, and thanksgiving be to God Our Father through Jesus Christ His Son, Our Lord! Mary, Mediatrix of all Grace, only you make all prayers worthy of presentation to the King of Kings, Jesus Christ and only you bring all His graces to us, your unworthy children.

Thank you, dear Sr. Marie for your powerful prayers of intercession. Please continue to pray for my intentions.
